

**DSLCC Exceptional Freshman/Sophomore Enrollment Form**

Dual enrollment classes are academically rigorous and challenging. Therefore, VCCS policy restricts dual enrollment eligibility to high school juniors and seniors. Exceptions to this policy can be made for high school freshman and sophomores that demonstrate college-readiness, meet all enrollment requirements, and receive permission to enroll from their high school principal and DSLCC's President.

As a dual enrollment student, I understand that dual enrollment classes are actual college courses offered by DSLCC at a high school facility or on the college's campus. I am fully aware that the grade(s) I earn in dual enrollment classes will be part of my permanent college record and could therefore affect my college standing and eligibility for future financial aid or guaranteed admissions agreements. Additionally, I agree to read the Dual Enrollment Handbook before the start of class each semester, as it contains important information regarding college materials and services.
