

Failure to Meet Financial Obligations

Students failing to meet a financial obligation to the College are placed on financial suspension. Failure to meet financial obligations to the College also may result in placement of the delinquent account with a collection agency, withholding from subsequent tax returns, litigation and other collection procedures as are necessary to settle the account. The student is responsible for any additional costs incurred in the collection of delinquent accounts, **including interest, administrative charges, late fees and collection costs.**

A \$35 fee will be charged for all dishonored checks. If the debt, including the \$35 fee is not paid within 30 days, an additional \$15 will be charged.

DSLCC honors the financial obligations which students may have with other VCCS colleges. If a student has a financial obligation to a VCCS college totaling \$500 or more, they must resolve that obligation before they are eligible to enroll at DSLCC. These obligations may include tuition, fees, college loans, college fines, or other debts owed the college.
