Tamra Lipscomb, Program Head
tlipscomb@dslcc.edu
(540) 863-2896
www.dslcc.edu

Purpose

The ongoing threats domestically and globally will continue to make the push to the inevitable to our region. Small businesses to large enterprises are finding the imminent need for skilled workforce in cybersecurity.

Admission Requirements

Individuals accepted for Admission to the College are eligible to enter the Cybersecurity and Networking Intermediate Career Studies Certificate program.

Program Description

Students continue their program with intermediate applications and advance to a more in-depth look at Cybersecurity.

Employment Outlook

Cybersecurity professionals are in high demand and expected to grow to nearly 6 million globally by 2019.

TRANSFER OPTIONS

Agreements exist between Dabney S. Lancaster Community College and various four-year colleges and universities. Contact Student Services for information about further study after graduation from DSLCC.

DISCLAIMERS

Every effort is made to ensure accuracy, but the College reserves the right to make edits with respect to course offerings, programs and requirements contained in this publication. This information is provided for the convenience of the reader and DSLCC disclaims any liability. Please note that not all courses are offered at all locations or during all sessions. Check class sites and times when registering. Most programs of study begin in the fall semester. Please note that while new students are welcome to enroll in any session, those who enter in spring or summer will likely find that completion of requirements may take longer.
